RE: Attestation Letter

Dear Sir/Madam:

Regarding our signal booster, FCC ID: PWO271865 granted on 2011-08-23, we would like to supersede the label drawing, external photo exhibits, and User Manual to remove references to IC since Industry Canada certification will not be pursued at this time.

The Grant notes will also be updated to correct the antenna separation distance.

Thank you.

Sincerely,

A handwritten signature in black ink that reads 'Richard M. Kline'. The signature is written in a cursive style with a large initial 'R'.
