WARNING
Warranty void if seal is broken
Made in the USA

This is a consumer device. Before use, you must register this device with your wireless provider and have your provider's consent. Most wireless providers consent to the use of signal boosters. Some providers may not consent to the use of this device on their network. If you are unsure, contact your provider. You must operate this device with approved antennas and cables as specified by the manufacturer. Antennas must be installed at least 20 cm (8 inches) from any person. You must cease operating this device immediately if requested by the FCC or a licensed wireless service provider. **WARNING:** E911 location information may not be provided or may be inaccurate for calls served by using this device.

**INSIDE
ANTENNA**

A blue, rectangular antenna cover with rounded corners. In the center, there is a square metal plate secured by four silver screws. The plate features a central circular connector with a gold-colored tip. To the right of the plate, the words "OUTSIDE" and "ANTENNA" are printed in white, stacked vertically. The cover has a slightly raised base with two small circular indentations.
