Equipment Approval Services
P.O. Box 358315
Pittsburgh, PA 15251-5315

On behalf of Trimble, Inc we are requesting approval for their Spectra Precision 1445 product family. The models are :1445D, 1445S, 1445A, 1445SX. We request approval to be granted based upon the test report from Aerocomm, Inc.

Application was initiated online. We did experience problems with the attachments of the supporting documentation. I am enclosing a complete documentation package for your review and consideration.

Should you need additional information, please contact me at the numbers below.

Sincerely,

A handwritten signature in cursive script that reads 'Janet Zaharan'.
