

Appendix A

Non-Conformities for US Radio Equipment Authorization

Non-Conformities FCC ID: PWX-C81 (Ref # E06-000125-1)

The items listed below represent requests for information following review of this application. Further question may arise pending review of responses to these items.

OK	#	Non-Conformity or Comment	Submitted Response
Y	1	Please provide a label with labeling requirements in accordance with 15.19. <i>“This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation..”</i>	It is already on page 130 of the man
Y	2	Please provide a users manual incorporating the statement required by 15.21. The users manual or instruction manual for an intentional or unintentional radiator shall caution the user that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.	It is located on page 130 of the man
Y	3	Why was 20 mm selected as the test distance on the GPRS Class 10 with data cable for SAR measurement?	Explained in response
Y	4	Please note that TIA-603C is to be used instead of TIA-603B.	N/A

The items indicated above must be submitted before processing can continue on the referenced application. Failure to provide the requested information within 60 days may result in application dismissal pursuant to Section 2.917(c) and forfeiture of the filing fee pursuant to Section 1.1106.
