PWY36001 PCB Layout Change note

Apr 08, 2004

Federal Communications Commission
Authorization and Evaluation Division,
7435 Oakland Mills Road,
Columbia, MD 12046
USA

Dear Sir,

Please be informed that we have revised the circuit layout for FCC ID PWY36001, Model name: remote control car hand set. The reason for this change is to match the new plastic housing of hand set. We have already re-submitted samples to IECC for evaluation.

If there is any query, please feel free to contact us. Thanks a lot.

Sincerely,

Name: CM Lee
Title:RC Car Engineer
