RE: Request for placement into audit status and supercede for FCC ID: PX8TS-19-12XXXXXX/FCC ID: PX8TS-71-12XXXXXX/FCC ID: PX8TS-81-12XXXXXX

Please place these applications in audit status so that we may supercede the original test report and label location exhibits.

The reason for this request is that 1. They would like to include 15B results into the test reports although it is not considered part of the application. 2. they would like to remove the power rating information from their label.

Thank you.
