Dear Sir or Madam:

Telit Communications S.p.A. has applied for, and has been granted Federal Communications Commission (FCC) registration number R17LN920, original grant date of 02/23/2022 & 09/07/2022, for its radio module which carries the Telit Communications S.p.A. model number LN920A12-WW / LN920A6-WW.

This letter will grant permission on a one-time basis to WINMATE INC., a company in Taiwan R.O.C., to apply for a "Change of Identification" for the above mentioned radio module, with FCC.

Telit Communications S.p.A. understands that WINMATE INC. must make this change in order to comply with Federal Communication Commission (FCC) regulations that apply to the WINMATE INC. product called **M700DQ8T1**, FCC identifier **PX9LN920A6** and Telit authorize FCC to use information on file to grant such Change of Identification for this device.

Telit Communications S.p.A. is supplying the LN920A12-WW / LN920A6-WW to WINMATE INC., unmodified and equivalent to the originally certified unit.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

Sincerely,

---

Brian Tucker
