FCC Part 15 Certification

Gentlemen,

In accordance with CFR 47 § 0.459, SpectraLink hereby requests confidentiality of following attachments:

- (1) schematic diagrams,

These documents contain detailed system and equipment description and related information about the product which SpectraLink considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, SpectraLink considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.
