Betreff: Response to Inquiry to FCC (Tracking Number 926040)

Inquiry:

TCB confidential request for approval of alternative labelling arrangement. The applicant Netgear for FCC ID: PY305400026 has proposed an alternative label location for the device on the grounds that an external label is not desirable, as referenced by Rule Part 2.925(f). The attached documents describe the proposed labelling arrangement. Please approve this request.

---Reply from Customer on 06/26/2006---

TCB confidential request for approval of alternative labelling arrangement. The applicant Netgear has informed the TCB that they wish to change the FCC ID for this device and maintain the proposed labelling location. The new FCC ID for this device shall be PY306200054. The attached document shows the new label information. Please approve this request.

Response:

It is the TCB responsibility to review all documents such as label information.
