Subject: Request for FCC Grant Dismissal

FCC ID: PY316200344
TC Number: TC253009

Dear FCC,

We would like to request a dismissal of the above referenced FCC ID due to an administrative error during upload. The admin used the incorrect version of Form 731 and accidentally submitted the DTS application. The application was a class II permissive change to add DFS bands which only applies to the NII grant and does not affect the DTS grant. Thus, the DTS C2PC filing is not needed.

Can you please kindly help to dismiss the DTS (C2PC) grant? We apologize for the inconvenience and thank you for your kind attention to this.

Sincerely,

A handwritten signature in blue ink, appearing to read "Shane Hao". The signature is written in a cursive, flowing style.
