

NETGEAR®

Sept 11th, 2018

To whom this may concerned,

NETGEAR declares that any reference to AC797S within regulatory compliance documents and test reports accurately reflects the Model: AirCard 797S in the product label. The wordings of AC797S and AirCard 797S are interchangeable.

Please do not hesitate to contact your local NETGEAR SPBU Systems Engineering representative for any additional information.

Respectfully,

Kwong Lem
