This letter is a response to your inquiry regarding
Netgear's product, FCC ID PY3WG102.

By default, Netgear's WG102 product, which is intended to be
sold in United States of America, is limited by Hardware
and Software settings to operate only on channels 1-11. End
user does not have a capability to change the region on its
own. The only option in a user menu is North America/US
settings.

If you have any additional questions or concerns, please do
not hesitate to contact Netgear.

Thank you,

Mark Gandler
Sr. Compliance Engineer
