Entering characters

Use the software keyboard (keyboard on the screen) to enter characters

The software keyboard appears when you tap the entry field for registering a contact, composing a mail, etc.

Switching software keyboards

With "SwiftKey Keyboard", you can use QWERTY keyboard to enter characters, Numeric keypad to enter numbers and symbols, and Symbol keypad for more symbols.

1 Tap a character input box

2 Tap [123] to switch to the numeric keypad For the symbol keypad, tap " e " on the numeric keypad.

• Tap """ at the bottom of the screen to hide the software keyboard · Word candidates will appear according to entered

- character, select a word you want to enter
- Tap " a " to delete the character before the cursor
- Switch to lower-case " 🕸 ", upper-case " 🕸 " or caps " 🛓 " on QWERTY keyboard.
- In the QWERTY keyboard, you can also enter number or symbol displayed in a small character above the alphabet on each key by long-touching. For some keys, furthermore character variants will appear. Slide over the candidates to select a variant you want to enter.
- Tap = at the left edge of the candidate area to make advanced settings for SwiftKey keyboard.

Repair and Delivery Support

An after-sales service membership program on a monthly basis called "Repair and Delivery Support" (monthly fee: 380 yen tax excluded) is available for using your au mobile phone for a long time without worries. This service expands coverage for many troubles including malfunction, theft and loss. For details of this service, refer to au homepage or contact Repair and Delivery Support Center.

Information

- You can apply for the membership only at the time of purchasing your au mobile phone.
- · Once you cancel the membership, you cannot reapply for it until you purchase an au mobile phone next time.
- Note that when changing the model or purchasing an extra mobile phone, this service only covers the most recently purchased au mobile phone.
- When an au mobile phone is handed over to you or someone else, the "Repair and Delivery Support" membership is also
- handed over to the successor of the mobile phone. When you get a new au mobile phone by changing the model or purchasing an extra mobile phone, the "Repair and
- Delivery Support" membership for the old au mobile phone is automatically canceled.
- Service contents are subject to change without notice.

au IC card

The au IC card is lent to you by au. In case of loss or damage, the card will be replaced at your expense. When a malfunction is suspected, or in case of theft or loss, contact an au shop or PiPit.
