

# 11. SETUP PHOTOS

RADIATED AND LINE CONDUCTED EMISSIONS MEASUREMENT SETUP	
A photograph showing a white cylindrical device on a white surface inside an anechoic chamber. A circular antenna is positioned around the device. A blue control unit is connected to the device. A white label with the number 12132671 is visible on the device.	A photograph showing the back of the white cylindrical device on the white surface. The circular antenna and blue control unit are visible. A white label with the number 12132671 is on the device.
A close-up photograph of the front of the white cylindrical device. The blue control unit is connected to it. A white label with the number 12132671 is on the device.	A close-up photograph of the back of the white cylindrical device. The blue control unit is connected to it. A white label with the number 12132671 is on the device.
A photograph of a yellow surface, likely a table, with a white label with the number 12132671. A blue control unit is connected to the surface.	A photograph of the back of the yellow surface. A white label with the number 12132671 is visible. A blue control unit is connected to the surface. In the background, there is a piece of electronic equipment.
