RADIATED EMISSIONS MEASUREMENT SETUP	
<p>A photograph showing the front view of a white, rectangular test chamber in an anechoic chamber. The chamber has a red cross on its front face and a label with the number '12132731'. The chamber is surrounded by a grid of black and white absorbers. A red ladder is visible in the foreground.</p>	<p>A photograph showing the back view of the white test chamber. A laptop and other equipment are connected to the back of the chamber. The label '12132731' is visible on the side.</p>
<p>A photograph showing the front view of the white test chamber, similar to the first photo but with a different setup. A red antenna is visible on the right side of the chamber.</p>	<p>A photograph showing the back view of the white test chamber with various cables and equipment connected to it.</p>
<p>A photograph showing the front view of the white test chamber with a different setup, including a laptop and other equipment connected to it.</p>	<p>A photograph showing the back view of the white test chamber with a laptop and keyboard on the floor in front of it.</p>
