Attaching au IC card (SIM card)

Before attaching au IC card (SIM card), make sure to turn off the product.

1 Remove the tray from the main unit
Put your fingertip (nail) into the groove of the microSD memory card/au IC card (SIM card) slot and draw the cover straight out.

2 Set au IC card (SIM card) into the tray with the IC (metal) part facing down
Pay attention to the location of the notch.
Surely set au IC card (SIM card) into the tray not to come off.

3 Keep the product horizontal and then push the tray in straight
Pay attention to the direction the tray is being pushed in. Firmly press where circled ○, and check that there is no gap between the main unit and the microSD memory card/au IC card (SIM card) slot cover.

Turning the power on/off

■ Turning the power on

1 Press and hold Power key until the product vibrates
The lock screen appears.
When "ようこそ (Welcome)" appears after the product is powered on, follow the onscreen instructions to set the initial settings.
Swiping (flicking) the screen up displays the Home screen.

■ Turning the power off

1 Press and hold Power key (over one sec.)

2 [Power] → [Power off]

❖Information
• To restart the product in safe mode (start with almost default state), press and hold Power key (over one sec.) → [Power] → Long-touch "Power off" → [OK].

■ Forcedly turning the power off

1 Press and hold Power key and the upper part of the volume key at the same time for approximately eight seconds, and release your fingers after the product vibrates three times consecutively

FCC ID

To view the regulatory compliance mark
• In the Home screen, slide the screen up → [Settings] → [About phone] → [Certificates] Regulatory compliance mark such as FCC ID is displayed on the screen.
