

## 7. SETUP PHOTOS

RADIATED AND POWERLINE CONDUCTED EMISSIONS MEASUREMENT SETUP	
A photograph showing a laptop, keyboard, and mouse on a white-covered table inside an anechoic chamber. The walls are lined with white electromagnetic shielding panels. A blue cross is marked on the table surface.	A photograph showing the back of the white-covered table with various cables and equipment connected to it. The anechoic chamber walls are visible in the background.
A photograph taken from a distance, showing the white-covered table with the laptop and keyboard. In the foreground, there is a large black pyramidal absorber and a red chair.	A photograph showing the back of the white-covered table with cables and equipment, similar to the previous photo but from a slightly different angle.
A photograph of a yellow table with a laptop, keyboard, and mouse on it. The background shows a plain wall with some electrical outlets.	A side-view photograph of the yellow table with the laptop and keyboard. In the background, there are various electronic test instruments on a desk.
