Application PY71022101

Statement on hardware

Sony Ericsson mobile phone T106 1900 (FCC ID PY71022101) uses the exact same hardware and software as T106 (FCC ID PY71222101) except that the GSM 850 band is turned off in the production (via a SW switch) on T106 1900. This band lock can only be done in the production and cannot be activated by the end user.

Best regards,

Håkan Sjöberg
