**Class II Permissive Change****Applies to FCC ID: PY7A1022011**

Sony Ericsson Mobile Communications AB herewith submits items for a Class II Permissive Change of our mobile phone K750, FCC ID PY7A1022011.

**Reason for change**

Improve RF radiated performance in all bands

Updated version of RF ASIC Tilde.

**Technical solution**

A new antenna revision to improve the radiated performance in all three bands.

Change of the RF ASIC Tilde from R1A to Tilde R1B better RF yield in the factories.

Update the VCXO circuitry to get better yield in production.
