Receiver

Federal Communications Commission and
Certification and Engineering Bureau
Industry Canada

**Statement on functionality for FCC ID: PY7A5880001 and
Industry Canada ID: 4170B-A5880001**

The RFID receiver functionality included in the product is disabled when there is not access to the Japanese mobile network.

The function is only in use for the Japanese market. Due to this, there has not been any testing performed for FCC and IC compliance with this function enabled.

Best Regards,

Peter Lindeborg
