ATTESTATION STATEMENT

Declaration on Electrically Identical Models

TO WHOM IT MAY CONCERN

We, Sony Ericsson Mobile Communications, declare on our sole responsibility that the model

EC400 with FCC ID: FAD-3232012-BV and IC ID: 4170B-F3232012

is identical in hardware and software to

EC400g with FCC ID: FAD-3232013-BV and IC ID: 4170B-F3232013

The only differences between the models are:

- GPS is disabled via SW in EC400

We attest that above changing are not relevant for any RF behaviour subject to regulatory items.

We are aware that both devices may be certified by using one FCC ID and IC ID, but because of marketing reasons we need 2 different certification numbers.
