Manufacturer's Declaration

Applicant:

Sony Ericsson Mobile Communications AB
Nya Vattentorget,
SE-221 88 Lund,
Sweden

Product details:

1. Sony Ericsson EE54 type FAF-1051021-BV (FCCID PY7FF051021)
GSM/GPRS/EGPRS Quad-band (850/900/1800/1900) Module.
2. Sony Ericsson EE52 type FAF-1031021-BV (FCCID PY7FF031021)
GSM/GPRS/EGPRS Tri-band (850/1800/1900) Module.

Declaration:

1. Hardware Revision

Sony Ericsson declares that the EE54 hardware revision B is identical to the EE52 hardware revision B. The EE52 module with hardware revision B has previously received FCC certification.

2. GSM900 Band

Sony Ericsson declares that the GSM900 band functionality has been factory enabled by means of software in the EE54 module. This functionality was disabled in the EE52 module without any possibility for the end user to re-enable the function.
