

April 15, 2015

Federal Communications Commission  
445 12th Street, SW  
Washington, DC 20554

Dear Sir,

We are submitting C2PC based on as requested by a KDB inquiry to address the incorrect field strength measurement reported in the original filing of FCC ID: PY7PM-0813, TC805967 to address ANT+ report.

Sincerely,

A handwritten signature in black ink, appearing to read 'Philip Kim'.
