Label and Label Location - PY7TM-0053

The FCC ID is not on the exterior of the device but labelling meets the conditions allowed in KDB 784748 for the label to be placed in a user accessible area:

- 1. The device is handheld
- 2. The quick start manual directs the user where to find the FCC label
- 3. The user does not require any special tools to access the FCC label and the label is not removable
- 4. The FCC ID is on the label, 2-part statement in manual due to device size.
