[Test charging adapter photos]

The test was performed with worst model "AC-4E" as a representative after having compared with following models: AC-3E, AC-4E, AC-5E, AC-8E, AC-15U, DC-4.

Each model has variant models, and the suffix of the model name (ex. AC-3"X") is replaced with E, X, AR, U, A, C, K and B.

The AC-4U's photo is following.

\*According to AC-4U, this shape of plug is only different from AC-4E.
