RE: 15.19 Statement (FCC ID: PYACK1W)

TO WHOM IT MAY CONCERN

The statement:

**"This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation"**

Is not placed in the label of the equipment due to the following reasons:

- Type label is too small (No room for this writing).
- Required text is already included in the user guide
- After this equipment is assembled, user is not easily able to see FCC text.  
(Normally the equipment is assembled to "out-of-sight" i.e hide from user. Carkit user guide is the only end-user visible "part".)

This statement is placed in a prominent location in the instruction manual.

Please contact me if there is any information you may need.
