DECLARATION OF SIMILARITY

It is hereby declared that the Bluetooth Headsets models known as

Nokia BH-212 (type: HS-112W)

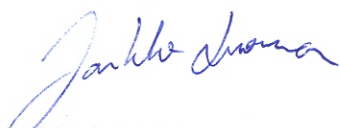

Nokia BH-213 (type: HS-127W)

are to be considered similar as far as performance and functionality are concerned.

There are no electrical differences between the products and except for the identity read-out there are no SW differences either.

Differences are limited to mechanical housing and internal battery capacity.

Yours faithfully
