Re: Change of Identification Request  
Original FCC ID: MCQ-XB900HP  
New FCC ID: PZR-79902

To Whom It May Concern:

The following is a request for change in identification as provided in C.F.R. Title 47 §2.933. This application will establish a new FCC ID: under AeroVironment's grantee code. The original grant for FCC ID: MCQ-XB900HP issued September 14, 2012 will remain in effect.

The equipment bearing the modified identification differs from the original equipment in the following ways;

- New Model name, trade name, FCC ID number

The original test results continue to be representative and applicable to the equipment that will bear the new identification. Please find attached the following;

- Sample of the new label and location
- External photos of the device

Sincerely,

A handwritten signature in cursive script, appearing to read 'Keith Sweitzer'.
