Regarding FCC Class II Permissive Change for FCC ID: PZR-79902

Dear CETCB,
We would like to request a Class II Permissive Change for FCC ID: PZR-79902

Major Changes filed under this application are:

Change of antenna to fit in product.
Investigation while co-located with WIFI and Bluetooth module Texas Instruments Model WL18MODGB.

Testing has shown that the changes do not affect RF parameters such as output power, frequencies and modulations supported.

If you have any further questions or need additional information, please feel free to give me a call at 805-581-2187.

Sincerely,

Keith Sweitzer
Director of Technology Integration
