FCC ID: PZWTR-8090

## Product: High Frequency 13.56 MHz Transceiver

### Model: 56RF-TR-8090

DENSO WAVE INCORPORATED is the manufacturer and takes all responsibility for this product.

However the actual sales are conducted by Allen-Bradley, which is shown on the product label.

This product is too small to place the label requirement, so FCC Rules §15.19(a) will be included in the user manual.
