American Telecommunications Certification Body Inc.
6731 Whittier Ave,
McLean, VA 22101

Attn: Mr. William

Regarding to your review comments, please see the response listed as below:

- 1) We have taken the photos as per your requirement. Please find the photos as file name: External photo-1 & Internal photo-1.
- 2) Please find the revised relative documents (added the company address, phone, fax on the letterhead) as per your requirement. (file name: Confidential letter-1).
- 3) The client provided the information of responsible party in USA in the user's manual. Please find the revised manual as one of attachments. (File name: Installation guide-1)
- 4) We modified the "Modular Approval letter" as per your requirement and submitted to you for your reference. Please find the attached
- 5) After confirmation with our engineer for the band-edge plot, we are sure the plot has showed both Peak and Average values. Would you explain it more details?
- 6) The RF power is Peak value.
- 7) The "worst case" emission is 11Mbps data rates for all emission modes.

I hope the attachments satisfy all your requirements for reviewing this application.
If you have any questions, please feel free to contact me.

Best Regards,

Elton Chen
