To Whom It May Concern:

**Subject: Cover Letter**

Xplore Technologies, Inc. herein is submitting a new filing for its iX104 Tablet Computer for FCC Part 2, 15, 22 and 24 Certification.

The Model iX104 tablet computer is a device with radios for wireless communication including the. The Model iX104 tablet computer may include one of the following pre-approved:

1. Research In Motion 1902GS GPRS OEM Module (FCC ID: L6A R6420GN) The RIM Model 1902GS is a dual band GPRS PCS and Cellular band radio modem. This device will be used for data only and will not be used for voice calls.
2. Cisco Aironet 350 PCMCIA Direct Sequence WLAN Card (FCC ID: LDK102040)
3. Symbol Spectrum24 PCMCIA Frequency Hopping WLAN Card (FCC ID: H9PLA3021)

These radios can installed as single radios and in combination with the RIM 1902GS module. Each configuration is filed with a separate FCC ID. The co-located versions are filed directly through the FCC.

All required tests in compliance with Parts 2, 15, 22 and 24 of the FCC Rules including SAR have been completed in FCC approved test facilities at Cetecom in Milpitas, CA with satisfactory results as provided with the Exhibits accompanying this cover letter.

The required tests in conformance with Part 15, Class B of the FCC Rules have been submitted as a "Verification" requirement pursuant to Section 15.101(b) of the FCC rules.

Xplore Technologies would like to request confidentiality as indicated in the Form 731, Item 8 and as requested in the "Request for Confidentiality" letter in the Exhibit "Cover Letters".

Please do not hesitate to contact the undersigned should you require additional information or have any questions.

Best regards,

Douglas L. Fowler
