360

ROSETTA ENG 3.0 (M) EBKN2 94V-0

Central component area containing:

- Microprocessors and memory chips
- Capacitors (e.g., 4R1 J90)
- Resistors and other surface components
- Small integrated circuits (e.g., 80L1)

SIERRA WIRELESS

Left side of the PCB featuring:

- RF connectors (gold and black)
- Small surface components
- Microcontroller (D020 0006)
- Microcontroller (D01C 006C)

Right side of the PCB featuring:

- Large multi-pin connector
- Microcontroller (80L1)
- Capacitors and other components

ROSETTA ENG 3.0 (M) EBKN2 94V-0

SIERRA WIRELESS
