Attn: Director of Certification

Authority to Act as Agent FCC

On our behalf, I appoint Nemko USA, Inc. at 802 N Kealy Avenue, Lewisville TX 75057 to act as our agent in the preparation of this application for equipment certification of the iX104C4 (FCC ID Q2GIX104-152). I certify that submitted documents properly describe the device or system for which equipment certification is sought. I also certify that each unit manufactured, imported or marketed, as defined in FCC regulations will have affixed to it a label identical to that submitted for approval with this application.

For instances where our authorized agent signs the application for certification on our behalf, I acknowledge that all responsibility for complying with the terms and conditions for certification, as specified by Nemko Canada Inc, still resides with Xplore Technologies, 14000 Summit Drive Suite 900, Austin TX 78728.

Acknowledgement of IC Listing Requirements

In signing this document I acknowledge that a certified product shall not be distributed, leased or offered for sale in Canada prior to its listing on the Industry Canada Radio Equipment List (REL).

In addition, I acknowledge that to allow listing of the certified product, Nemko Canada will make available to Industry Canada all necessary information as required under IC CB-02 section 6.5, which may in turn be published on the REL on the Industry Canada website.
