

Attestation Letter

I, the undersigned, declare that the user's manual of the submission at this time is the multi-operational user's manual covering all variants-models of the host. The description of the user's manual implying RFID transmitter that operates 13.56MHz is not intended to be installed upon the model of host in association with the current filing. Only WWAN/WLAN/Bluetooth in application to Part22/24 and Part 15.247 will be installed and enabled pertinent to this given filing.

Product Name: PDA Phone H-22

Brand Name: OPTICON

FCC ID: Q2Q-H22

Applicant: Opticon Sensors Europe B.V.
