To whom it may concern,

We hereby respectfully request that under the provision of 47 CFR 0.459 and 0.457(d) the documents listed below and attached with this application for certification be provided with Long-Term confidential status.

- Schematics.pdf
- Operational Description.pdf
- Block Diagrams.pdf
- Internal photos.pdf

Enclosed within this application is technical information, specifically the antenna design, which we deem to be trade secrets and proprietary. If made public, the information might be used to our disadvantage.

We are requesting the long term confidentiality for the internal photos as they are not accessible to the public. The product is permanently sealed through ultrasonic welding and cannot be taken to gain access to the insides without permanently damaging the product.

Any exhibit / information for which we have requested permanent confidentiality, but which may not be accorded such treatment by the FCC, should be returned to us.

The documents listed above contain trade secrets that are treated as confidential by us. Substantial competitive harm to us could result should they be made available to the public.

In addition we request temporary short term confidentiality of the documents listed below.
