Overview

Synapse Strategic Product Development LLC is submitting this application in behalf of Walt Disney Parks and Resorts US., Inc. for the original authorization of the -xBR-S-R1G1 device, with internal model nomenclature of xBR V3x2. The model number for the grant will be xBR-S-R1G1. The device has two identical circuit boards. Each board has multiple receiving radios and transmits using a single radio within the 2.4 GHz band, hence, two transmitters and two transmit antennas.

Confidentiality requested for allowed files. Request is properly addressed and referenced.

Short term confidentiality requested.

Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
