

A photograph of a field station setup on a wooden table. On the table, there is a laptop, a white power supply unit, and a black power brick. A vertical pole with a circular antenna is positioned behind the equipment. A white sign with the text "Aeroscout EX5100" is attached to the front of the table. A large coil of grey cables is on the floor to the left. The setup is outdoors on a concrete pad under a wooden structure.
