

## Class II Permissive Change Request

Radwin Ltd. hereby appeals for a Class II Permissive Change for the models AP0127450, AP0127460 under FCC ID: Q3KRW24MOD and IC: 5100A-RW24MOD

The request is due to the following changes:

1. Addition 5, 10 MHz channel bandwidths under 802.11n mode
2. Addition of two antennas of the same type – 17.5 dBi and 20 dBi Flat Panel Dual pole Cross Polarized
