Re: Bibliotheca RFID Library Systems AG application for certification of a Low Power Communications Device; FCC ID: Q3L-ADS100

Gentlemen:

Bibliotheca RFID Library Systems AG herein submits an Application for Equipment Authorization to be followed by submission of a fee for \$1190.00 along with Form 159 for certification of a low power communications transmitter under FCC Rules Part 15 as required by the FCC Rules.

Bibliotheca RFID Library Systems AG requests, pursuant to 47CFR 0.459, post grant confidentiality for portions of the material contained in this application such that the identified material will be withheld from public inspection following the grant of this authorization. This material, as indicated by request for confidentiality of the item during the electronic submission process and further identified below, includes:

1. Schematics
2. Parts List
3. Block Diagram
4. Operational Description
5. Internal Photos

Specifically, these exhibits contain information relating to circuit function and complexity that could be of benefit to competitors. The material contains trade secrets and confidential information that Bibliotheca RFID Library Systems AG does not customarily release to the public and which is otherwise not generally available to the public.

Please contact the undersigned by phone at +411-905-2070, by fax at +411-9052075, by email at pmueller@rfid.ch, or by correspondence at the address below if there are any further questions or additional information needed concerning this filing.
