Subject: Response to Inquiry to FCC (Tracking Number 903797)

Inquiry: Permit-but-ask #4: Devices that are required to comply specifically with extremity (hands, wrists, feet and ankles) SAR limits. This does not include devices that must comply with body-worn or head exposure conditions.

Cipherlab Co., Ltd.
FCC ID: Q3N-80712
Rule Part: 15.247 (WLAN)
EUT description: Portable Data Terminal

Inquiry: Max. conducted power: 0.04909 W. SAR test is not performed. The user manual indicates, "This device is designed for hand-held operation only"(see user manual page 3 of 12). The terminal does not come with any accessories that enable body-worn operation.

Please advise if SAR test can be exempt.

Thank you!

Response:
device approved for e-filing submission AND final grant
