Request for Tech. Info.: 11/24/03**

Dear Martin:

Transmitted herewith, on behalf of **Flextronics Sales & Marketing (A-P) Ltd.** is an amendment provided in response to the request for technical information dated November 24, 2003.

1. Please find attached the K112 belt clip assembly drawing. Please note, that during the original filing the holster that provided 11 mm spacing was used for SAR testing. This holster was only part of the belt clip. The entire K112 belt clip that provided 26 mm spacing was used for the Class II SAR testing.
2. Please find attached the revised user's manual.

We trust this information is sufficient to resolve FCC questions in this application. If you have any further questions, please do not hesitate to contact us.
