RE: Configuration Attestation

Motion Tablet PC Series LE1700

Model: T006

FCC ID: Q3QAWM7519ABG

Industry Canada ID: 4587A-AWM7519ABG

To Whom It May Concern:

This letter shall serve as an official attestation for the 802.11 a/b/g radio device integrated into the Motion Tablet PC LE1700 (Model: T006) for FCC ID Q3QAWM7519ABG.

The reason for this attestation is to provide confirmation that the LE1700 (Model T006) integrates an Atheros Communication 802.11 A/B/G WLAN device (FCC ID PPD-AR5BXB6-M) only at this time for product being placed on the market in the US and Canada.

Motion has provided all the corresponding test reports along with this attestation in response to FCC correspondence reference number 36572 in reference to Form 731 Confirmation number TC257521 to show compliance to CFR47 Part 15 Subpart E Rules according to 15.407 for Dynamic Frequency Selection (DFS) and Transmit Power Control (TPC).

Please contact me if there is any additional information you may need for our submission.

Sincerely,

A handwritten signature in black ink, appearing to read "Don Bobo", written over a white background.
