RE: Confidentiality Request For:
Motion Tablet PC LS800 Series (Series = LS800 followed by any derivative alpha/numeric
suffixes AA-00)
Model TS01
FCC ID: Q3QLS800TS01
Industry Canada ID: 4587A-LS800

To Whom It May Concern:

This letter serves as an official request for confidentiality under FCC Rule Section 0.459. We have requested that the Schematics, Block Diagrams, LS800 battery spec, and the LS800 Product Specification for the Motion Tablet PC LS800 series, model TS01 required for submission along with this application be-kept from General Public review. We would also like to request that information such as internal and external photos, label content and placement location be-held from public view until 10-27-05.

The reason for this confidentiality request is due to information requested for this submission contains company proprietary information that could never get into the hands of our competitors of which could pose loss of revenue and possible patent infringements. Please contact me if there is any further information you may need.

Sincerely,
