

The image shows the bottom of a laptop chassis. At the top, there is a dark grey section with a speaker grille. Below this, a large rectangular area is outlined, containing a white label with the text "BAND-EAX00010006-07". To the right of the label, there are three L-shaped metal brackets. A white box with the text "Label Location" is overlaid on the left side of the chassis. At the bottom, there are two sets of speaker grilles, a small square port, and a USB-C port. The entire chassis is silver and has several screws around the perimeter.

Label Location
