

RC5 Antenna Info

Device	Antenna Manufacturer	Antenna/PCB Model	Gain (dBi)	Description	FCC 15.203 Compliance	Antenna Photo
RC5	BSN	PCB: 92166118 B.2	0.44	Meandered PIFA	Antenna implemented on printed circuit board.	 A close-up photograph of a meandered PIFA antenna on a green printed circuit board. The antenna is a dark green, rectangular structure with a complex, stepped meandered pattern. It is mounted on a green PCB with visible gold-colored traces and pads. The background shows the green surface of the PCB and some gold-colored components.
