Instructions for battery operated toys

1) Batteries should only be inserted or changed by an adult.
2) Switch the toys to the "off" position before inserting batteries.
3) Remove batteries from toys before disposal. Dispose of battery or packaging.
4) Only use the same type of battery - do not mix brands or types.
5) Replace all batteries at the same time with new ones.
6) Do not mix old and new batteries.
7) Remove batteries if toys are not in use for long periods of time when it is not in use.
8) Do not use rechargeable batteries.
9) Remove exhausted batteries from the toy.
10) Dispose of used batteries safely- do not throw on a fire or attempt to open up the battery.
11) (If the toys have small batteries which could be a choking hazard to children out of their reach.
12) Switch off the toy if swallowed.
13) Seek medical advice if a small battery has been swallowed by a child.
14) Nonrechargeable batteries are not to be recharged.
15) The supply terminals are not to be short-circuited.
