Dear Madam or Sir,

The only difference between DP990 and DP995 is: DP990 is designed with button, but DP995. The frequency range, modulation method, channel spacing, RF output power, circuit board and external structure are the same.

Sincerely Yours,

Signature:

A handwritten signature in black ink that reads "Jessica Wang". The signature is written in a cursive style with a long, sweeping tail on the letter "g".

Jessica Wang
