Subject: FCC ID: Q5EPT6700 Justification Letter for Expanded Frequency Range 400-470 MHz

Gentlemen;

You have asked Kirisun Communications Co., Ltd for justification to have the freq range **400-470 MHz** appears on the face of the FCC Grant of Certification for a Part 90 Certification. This frequency range is regarded as usual & customary by United States Federal Government and its various departments, user organizations and the military to appear on the face of the equipment Grant of Certification.

- (1) Kirisun Communications Co., Ltd's Marketing Department plans to ensure that USA users, other than those specifically identified in this letter, not operate within bands **400-406 MHz**, as controlled by the users' FCC station license.
- (2) This device will not be marketed to USA users, other than those identified in the letter, namely the US Government and its various departments & military, for operation in **400-406 MHz** frequency range.

Sincerely,

Kirisun Communications Co., Ltd
