

Fi Win Inc

8F,NO.10,Prosperity Rd.1,Science-Based Industrial
Park,Hsin Chu,Taiwan 300

Federal Communications Commission

FCC ID: Q5SWF18

Dear Sir:

This is to explain the operating channel of our device. Although this device is capable of operating up to 14 channels, we ensure the device when sold in the U.S. can only capable of transmitting authorized frequency band, i.e. 11 channels. Channel 12 to 14 will be disabled via firmware setting.
